Sing it, Play it, Move to it, *Together!*

Music is Wonderful! is a fun and interactive music class for pre school aged children from birth, to 5 years old, and is led by award winning composer/musician Cathy Block, who conducts each class playing guitar, banjo, and flute.

Music is Wonderful! introduces the joys of music, and inspires the child's musical imagination. We sing songs together, dance together, and explore different instruments and rhythms, in a stress free and nurturing environment. We help open up the wonderful world of music, in a tender program, that encourages the parent/care giver to participate along with their child.

Music is Wonderful! has been created by award winning composer and multi instrumentalist, Cathy Block.
